INTRODUCING THE R-PRIME SERIES CONTINUOUS PRIMING CENTRIFUGAL PUMPS

- Close coupled centrifugal pump with vacuum priming compressor mounted to a diesel engine. Also available electric motor driven.
- All cast-iron construction with ductile iron impeller and wear plate.
- Solids handling capabilities to 3" (75mm). Will handle a variety of materials.
- Exclusive Rainbow continuous priming system designed with simplicity in mind.
- Dry run capabilities with double oil pump seal.
- Available with skid mount integral fuel tank in 100 gallon or 130 gallon capacity and industrial strength off road or highway DOT trailer.
- Available in a variety of diesel engine options.
- Available with many accessory options including AutoStart controllers.
- Sold and serviced by Rainbow's extensive dealer network established over four decades of pump manufacturing.

Our extensive dealer network is there to offer sales support and service.
