# PRINT & DIGITAL OPPORTUNITIES

## Why MCS Print?

Through our interactions with contractors, one thing is certain—they like print magazines. We feel the majority of decision makers in the construction industry are in their 40's, 50's, and 60's, and maybe that is why they prefer to hold a copy of the magazine rather than see it on a phone or tablet. Studies show that print messages are retained easier and for longer periods of time, so it makes sense. Modern Contractor Solutions' printed magazine can be easily read at the office, on the jobsite, in the truck, or at home. Another great thing about the print edition of MCS is that it is easy for contractors to share it with their colleagues. With our wide range of editorial topics in every issue, our magazine could be passed to several people in a single company, each with different responsibilities and job functions. This allows our advertisers deep penetration at companies, allowing for stronger branding.

## Why MCS Digital?

Although the digital edition of Modern Contractor Solutions mirrors the articles of our print edition, it offers unique advantages you can't get with print. The MCS digital edition gives you a place to share your company videos with the construction industry—videos that you have spent time and money to produce. We can have your video play from a command button on your advertisement in the digital edition that is sent to 25,000 of the largest contractors each month. Another great advantage of the digital edition is that everything in your advertisement can be a hyperlink—link to your website, an email address, almost anything. Let us help you by sending interested construction pros directly to you at the peak of their interest in your product or company.

# SPECIAL OPPORTUNITIES

## Featured Product

Each month, one product from the entire construction industry has the opportunity to be promoted in the MCS print and digital editions. The Featured Product is prominently placed on the home page of our website and included in our monthly eNewsletter. Be sure to send us information on your product(s) for possible inclusion in the Products Section of Modern Contractor Solutions.

## Special Issues

Modern Contractor Solutions produces two special issues a year: the "Products and Services Guide" in April and the "Buyers Guide" in November. The goal of the April Products and Services Guide is to act as a resource for industry professionals looking for product information and service options for their business. The November Buyers Guide issue highlights manufacturers and includes a company directory categorized to help our readers find exactly what they need. Both issues allow an elite group of manufacturers to describe their company and/or product in an editorial piece accompanied by their ad.

## Trade Show Promos

Take advantage of our special promotional sections leading up to key industry trade shows by featuring your company's presence. Prior to the most important trade shows for our industry, MCS will highlight the top exhibits we suggest contractors make a point to see through this special promotional section. It will give you the opportunity to announce what products you are showing, special announcements, and your booth location so you can make the list contractors build each year of must-see companies. Contact your sales representative for details and how to qualify.

## Cover Ear

Imagine your company name and logo on the cover of an industry-leading magazine. That's possible with Modern Contractor Solutions. A cover is seen by more eyes than any other page of a publication, which ensures any image or wording placed on a cover is most likely to be seen. Take advantage of this cover-placement branding opportunity that you can't get anywhere else in the construction industry.
